- Poster with FTG Scholarship Information

Please help us bring our scholarships to the attention of eligible female graduate students or faculty members at your college/university. These scholarships are not restricted to any one academic field. Application for, or award of, another scholarship does not disqualify a candidate. Scholarship II does not require enrollment in a college/university during the time spent in the foreign country.

The Chairman of the FTG Scholarship Committee must receive the application postmarked no later than January 31, 2013. No faxes will be accepted. Official cumulative transcripts through fall 2012 must be attached.

We would appreciate receiving any corrections in names and addresses of appropriate contact personnel at your institution. We are strongly committed to fulfilling the vision of our founder Florence Terry Griswold that knowledge leads to understanding and friendship amongst the people in the Western Hemisphere when scholarships, like ours, are given. Thank you for your assistance in coordinating the effort to locate candidates on your campus.
