MAINTAINING J-1 STUDENT STATUS

STUDENT/UH ID:________

This may be the most important document you will read while you are in the United States: Please read it carefully. It is your responsibility to know and obey J-1 regulations or face possible removal from the U.S.

F = FULL-TIME STUDENT

1. Be a full-time student each main semester. You must complete (not just register) for a full course load each main semester. To maintain your status, each spring and fall semester, undergraduate and post-baccalaureate students must complete **12 hours** and graduate students **9 hours**. Note: Classes that are delivered through online and distance education modalities cannot be used to satisfy the full course of study. If you need to drop below full-time hours, make an appointment to see an International Student Counselor BEFORE taking any action even if you are failing the class. A grade of “W” does not count toward your full-time requirement.

A = AUTHORIZATION FOR EMPLOYMENT & TRAINING

1. You must receive authorization of employment in advance before the employment begins. Authorization can be granted in periods of up to 12 months at a time. J student employment can be authorized by the RO/ARO for the following types of employment:
   - Employment pursuant to the terms of a scholarship, fellowship, or assistantship;
   - Employment that occurs on the premises of the University of Houston;
   - Employment that occurs off-campus, which is necessary because of serious, urgent, and unforeseen economic circumstances that have arisen since acquiring exchange visitor status.
   - Academic Training related the course of study.

2. You are required to carry your immigration documents (passport, I-94 card, DS-2019) with you. You can be fined $100 and/or sent to jail for up to 30 days if you do not have your documents with you. Local law enforcement officials have unofficially stated they are not strictly enforcing this law. They still recommend that you carry photocopies of your immigration documents with you at all times in the greater Houston area. You should carry the original documents with you outside of Houston, even if you are remaining in the U.S.

3. Inside the U.S. you must maintain your visa status, not your visa sticker in your passport. The visa sticker in your passport can expire while you are in the U.S. because its ONLY function is to serve as a “key” to enter or reenter the U.S. Your visa status is defined with the J-1 and D/S (Duration of Status) on your DS-2019 and I-94 card. You must maintain your status (not the sticker) in order to remain in the U.S. You maintain your visa status by obeying all U.S. regulations. You only need to renew your visa sticker if you leave the U.S. and want to reenter. Be sure to only enter with a J-1 visa if you want to have J-1 status in the U.S. The type of visa sticker you use determines your status in the U.S. If you are a J-1 student and have a specific departure date on your I-94 card (there is no D/S), make an appointment to see an advisor in our office immediately.

The government may change or add to J-1 regulations at any time. It is your responsibility to know them by attending public information meetings when offered, visiting our website ([http://issso.uh.edu](http://issso.uh.edu)), and by using your UH email account (or by placing a “pointer” from it to your personal email account) so that ISSSO can send you automatic alerts.
