PeopleSoft Express Shuttle

An express shuttle runs directly from the UH main campus to University Business Park (UBP). This express shuttle will carry staff and faculty who are attending PeopleSoft training at UBP.

The Tan Route will continue with its usual service between the main campus and UBP. The PeopleSoft express shuttle will depart from the front of the University Center (UH Entrance 1) 20 minutes before the scheduled training. Look for the windshield sign that says "PeopleSoft Training Shuttle." The shuttle will pick up trainees at UBP and then depart 10 minutes after the course ends and return directly to the UC via the same route.

Consider taking it! Avoid the long walk to your car. Conserve your gasoline. Be a stress-free passenger, rather than a driver. Enjoy door-to-door service.

Access & Security Forms

Required Security Form for PS Access

All staff and administrative end users must complete and submit the two-page PeopleSoft Student Administration Security Form in order to gain access to the new PA Student Admin system. Upgrades and adjustments to access also require submission of a security form. Updated information and access to the form is available at http://uh.edu/peoplesoft/security_form.html.

Please direct access and security questions to application campus security administrators.
