New PeopleSoft Express Shuttle Begins July 9

Beginning July 9, 2007, an express shuttle will begin running directly from the UH main campus to University Business Park (UBP). This express shuttle will carry staff and faculty who are attending PeopleSoft training at UBP.

If you are coming to a PeopleSoft meeting at UBP, and the schedule times work out for you, you are welcome to ride the shuttle as well. Please note, however, the times cannot be adjusted from the published schedule.

The Tan Route will continue with its usual service between the main campus and UBP.

The new PeopleSoft express shuttle will depart from the front of the University Center (UH Entrance 1) 20 minutes before the scheduled training. Look for the windshield sign that says "PeopleSoft Training Shuttle."

The shuttle will pick up trainees at UBP and then depart 10 minutes after the course ends and return directly to the UC via the same route.

This shuttle is a trial "use it or lose it" service. That is, if it doesn't have enough riders through mid-August, it may be discontinued.

Consider taking it! Avoid the long walk to your car. Conserve your gasoline. Be a stress-free passenger, rather than a driver. Enjoy door-to-door service.
