*If you have earned a baccalaureate degree from a state assisted institution of higher education in Texas, you are exempt from these courses.

OR

A student who has successfully completed (C or better) the core curriculum at a state assisted institution of higher education in Texas may transfer that block of credit to UH. The student will receive academic credit for each of the courses transferred. The student will need to work with an academic advisor within the College of Pharmacy to determine additional requirements necessary to satisfy the UH College of Pharmacy Core.
