## Radiation Safety Manual

### Authorization to Use Radioactive Material

In accordance with the conditions set forth in this Authorization, the Radiation Safety Manual, and the Texas Regulations for the Control of Radiation, the Principal Investigator designated below is authorized to possess and use radioactive material at the University of Houston.

Name: \_\_\_\_\_ Sublicense #: \_\_\_\_\_  
Department: \_\_\_\_\_ Office Location: \_\_\_\_\_  
Radioactive Material: \_\_\_\_\_ Maximum Possession Limit: \_\_\_\_\_

Authorized Use:

Authorized Locations:

Authorized Users:

### CONDITIONS

Responsibility for the possession, use, transfer, storage, and disposal of the radioactive material listed above is subject to the conditions in this Authorization, the Radiation Safety Manual, and the Texas Regulations for the Control of Radiation. Strict adherence to assure regulatory compliance is required of the Principal Investigator and listed Authorized Users.

In addition to the conditions set forth in this Authorization, the Radiation Safety Manual, and the Texas Regulations for the Control of Radiation, the Radiation Safety Committee and the Radiation Safety Officer may require additional conditions, precautions, and procedures which they feel are necessary to insure the safety of all personnel.

This Authorization will remain in effect from the date of issue until terminated by the Principal Investigator or revoked by the Radiation Safety Committee for noncompliance with the conditions of this Authorization, the Radiation Safety Manual, or the Texas Regulations for the Control of Radiation.
