

## Institutional Compliance Program

### Ethical Conduct

University employees are expected to carry out their responsibilities in an ethical manner, complying with federal, state and other applicable laws and regulations, consistent with Board of Regents policies, and without conflicts of interest. The Manual of Administrative Policies and Procedures (MAPP) Number 02.04.07 outlines the prescribed processes regarding Ethical Conduct of University Employees. It can be viewed at <http://www.uh.edu/mapp/02/020407.htm>
