

Street Access Changes

Calhoun Lofts Access Plan

Effective, Tuesday, September 4th through August 2009, traffic near the north end of Calhoun will be redirected due to construction of the new Calhoun Lofts building as follows:

- Parking Lot 19A will close in early September. You are strongly urged to locate alternate parking early in the semester and determine alternate routes.
- Free Satellite Parking is available (see www.uh.edu/parking)
- Specific street closure dates will be posted at affected locations.
- For most destinations west of Calhoun from Spur 5: detour via Elgin, use Entrance 18.
To access north end of Calhoun: detour via Spur 5, use University Drive Entrance.
- Entrance 19 Road will be closed early September. It will remain open only to construction and emergency traffic during construction. Delivery trucks should use an alternate route.
- The UH shuttle service will continue serving the northeast corner of campus which includes the Colleges of Business, Architecture, Engineering, and Law.

Visit Parking and Transportation Services' website (www.uh.edu/parking) for additional updates regarding parking lot changes and street closures.
