Below you will find a list of some of the Intercultural Activities happening on campus and in the community this semester. Intercultural Activities can include cultural activities, festivals or events. You may receive .5 points for each event up to one point for attending two. Documentation is needed to receive points towards the Global Citizens Credential under the Intercultural Activities category. Please bring a documentation form (found on our website) when you attend an event and have it signed by a staff member. If you attended an event you think should qualify as an Intercultural Activity but is not on this list, please submit documentation to UH Global to be reviewed.
