GLOBAL SCHOLARLY EVENTS
SPRING 2019

Below you will find a list of some of the Global Scholarly Event happening on campus and in the community this semester. Global Scholarly Events are workshops, trainings, or seminars that have a global, multicultural, or diversity focus. You may receive .5 points for each event up to one point for attending two. Documentation is needed to receive points towards the Global Citizens Credential under the Global Scholarly Work category. Please bring a documentation form (found on our website) when you attend an event and have it signed by a staff member. If you attended an event you think should qualify as Global Scholarly Work but is not on this list, please submit documentation to UH Global to be reviewed.
