2009-2010 STUDENT PERMIT REGISTRATION

Houston, June 17, 2009 – Parking & Transportation Services will open student permit registration for the Fall 2009 semester on July 1, 2009. The registration period was delayed to premiere a new student registration website that will make registration both simple and quick. While students will no longer register through the MyUH (PeopleSoft) system, the charges for the permit will still be posted on the Tuition & Fee Bill. Students can preview the new website by visiting the Parking website at www.uh.edu/parking and clicking on Student Permit Registration. A training video has been posted to demonstrate the new system.

The screenshot shows the University of Houston website interface. At the top is a red banner with the university logo and name. Below that is a red banner with the text "Parking and Transportation" and the slogan "We keep the campus moving." To the right of this banner is a photograph of a parking garage. Below the banner is a "Customer Authentication" section with the instruction: "University students, faculty and staff please log in below with your MyUH (PeopleSoft) ID:". There are two input fields: "MyUH PeopleSoft ID" and "Password", both marked with an asterisk to indicate they are required fields. Below the fields is a "Log In" button. A legend at the bottom left states "* INDICATES A REQUIRED FIELD".

About the University of Houston
