B. Purpose

This course examines U.S. immigration historical trends, U.S. immigration laws and policies; immigration reform challenges, with a major focus on immigrant Latino populations and current immigration debate. Constitutional issues related to immigrants; pertinent Visa issues. Students will acquire essential skills in advocacy, policy, and culturally competent practice with Latino immigrants.

II. Course Competencies

Upon completion of this course, students will be able to:

A. Demonstrate an understanding of the history of Latino immigration to the U.S., the historical context and demographic make-up of the various waves of immigrants from Latin America to the U.S., and the make-up of the current Latino population.

B. Identify the legal, socio-economic, and political issues related to Latino immigration.
   a. Attention to comprehensive immigration reform debate at the federal, state & local levels;
   b. Have a general understanding of U.S Visa laws;
   c. Public benefits available to immigrants;
   d. Delineate key issues impacting Latino immigrants and discuss strategies to impact policy through education and advocacy.
C. Develop an understanding of the critical role and application of culturally competent practice in working with Latino immigrants across diverse social work settings.

D. Critically analyze and discuss key issues in research and practice with Latino Immigrants including issues such as:
   
a. Social Work practice theories application to immigrant populations with a concentrated look at Delgado's “cultural assets paradigm.”
   b. Immigration Reform
   c. Children & Families
   d. Education
   e. Health
   f. Employment
   g. Gender
   h. Older adult immigrants
   i. Immigration History
   j. Immigration myths & facts
   k. GLBT population
   l. Advocacy

III. Course Content

This course will include the following topical (content) areas:

A. Historical context for the various waves of immigration from Latin America (economic immigrants, political immigrants, etc.)
B. Immigration law, reform, and legal, socio-economic, and political issues.
C. Strategies for impacting policy through research, teaching, training, and advocacy.
D. Culturally competent social work practice with Latino immigrants.
E. Research and practice issues relevant to Latino immigrants.

IV. Course Structure and Class Assignments

Course Requirements/student expectations:

*Class attendance and participation*. The course is extremely concentrated and intense. Students will obtain an overview of strengths and challenges facing immigrants and implications on legal immigration issues as well as social work practice. Consequently, it is crucial that students attend all classes, and come prepared to discuss all of the assigned readings and participate in student presentations. Kindly provide notice of expected absences and anticipated issues regarding class participation, class attendance and meeting deadlines to my email address above.
