II. COURSE OBJECTIVES

   4. Apply and/or adapt appropriate interventions when working with students for whom school social work services are indicated, especially students who are from diverse cultural backgrounds, minorities, GLBT, economically disadvantaged, victims and perpetrators of violence; and students affected by issues pertaining to social class; students who have physical and/or learning disabilities; and special needs students.
   5. Apply social organization, ecological perspectives, crisis intervention and systems theory to social work practice and interventions in school settings.
   6. Facilitate diversity group exercises with students to address prejudice, discrimination and violence in schools and their communities.
III. COURSE CONTENT
This course includes content in the following areas: the history of school social work and its value base; the context of U.S. public education and contemporary issues; the school setting as a social organization and the job of the social workers in schools, including professional standards; legal rights of students and mandated responsibilities of schools for special populations; emerging evidence-based models of school social work practice, programs and interventions; collaboration between social work and education professionals; parental involvement and empowerment; group, community and advocacy-based methods in the delivery of social work services in schools.

VI. COURSE REQUIREMENTS
A. Reading Assignments: Readings are listed on the class outline and are to be completed prior to the scheduled class. Please note that the lectures are designed to clarify and supplement the assigned readings—they are not designed to review them in detail. It is critical that you remain current with the readings in order to participate fully in class discussions and activities. Some readings are assigned directly from the textbook, while other readings can be found via the UH Library, the internet, or posted on the class Blackboard site.

B. Written Assignments: Two written assignments are required for this course. (1) a research paper about a contemporary issue impacting the U.S. public education / school system and its students; and (2) a reflective paper related to the facilitation experience at the Anti-Defamation League Youth Summit. Specific guidelines for these assignments will be presented by the professor and distributed during class. The due date is listed in the Course Outline section of this syllabus.

C. Oral Presentation of Special Topic Specific to Social Work Services in Schools
Students must prepare a Power Point presentation about a topic specific to social work services in schools. Specific guidelines for this assignment will be provided by the professor and distributed during class. The topic for this assignment MUST be different from the contemporary issues paper. The due date is listed below in the course outline.

D. Facilitation at Anti-Defamation League’s Youth Summit Friday November 1st, 2013 @ Texas College of Law
E. **In-Class Participation:** Attendance and class participation are critical to successful learning in this course and to your development of essential social work practice skills. Students can receive full class participation points for class attendance, attending the entire class session (do not be late or leave early), active participation in class and group activities, current events discussions, and informed participation in class activities. Each absence will result in points loss for attendance, as does arriving more than 15 minutes late or sleeping in class. (Exceptions: death in the family, illness with physicians note, or agreement reached in advance that an absence is excusable.) More than 2 absences will automatically result in a lower letter grade. If you know in advance that you need to be absent from class, please notify me in writing via e-mail. The University of Houston “respects the religious observance of students (e.g. Religious Holy Days) even though they may conflict with university class meetings, assignments, or examinations” (UH Undergraduate Studies Handbook, p. 63). In such situations, students may request an excused absence. I will honor such requests, but do ask that you please notify me in advance, in writing via e-mail.

VII. **EVALUATION AND GRADING**  
Several methods will be used to assess and evaluate your progress in this course and achievement of the course objectives.

A. **Grading Distribution:**
1. Contemporary Issue Paper — 15%
2. Reflective Paper (Anti-Defamation League Youth Summit) – 15%
3. Oral Presentation (School Social Work Services) -- 15%
4. Facilitation of Anti-Defamation League’s Youth Summit -- 40%
5. Class Attendance and Participation -- 15%

B. **Grading Scale:** Scores from each written assignment and the class participation grade will be converted according to the grading distribution indicated above. The scores will then be combined and final letter grades will be based on the following grading scale:

VIII. **POLICY ON GRADES OF ‘I’ (INCOMPLETE):** Please refer to the UH Graduate and Professional Studies Bulletin for the university policy regarding a grade of Incomplete (I). Incompletes will be given only in accordance with this policy. Assignments are due at the beginning of the class session for which they are due, as indicated in the course outline below. Late assignments will be reduced by 10 points for each day they are late. Please plan accordingly so that you are able to complete and submit your assignments on time, and inform me ASAP should any problems arise. If an emergency prevents you from attending class on the day an assignment is due, you must notify me prior to the class so that appropriate arrangements may be planned. An **unexcused** absence will also result in a grade of zero (0) on any in-class assignments administered on the day of the absence.
IX. POLICY ON ACADEMIC HONESTY AND PLAGIARISM: Although we do not expect to encounter academic dishonesty or plagiarism in this class, we want to be very clear about our standards.

Students are expected to demonstrate and maintain a professional standard of writing in all courses, do one’s own work, give credit for the ideas of others, and provide proper citations for source materials. Any student who plagiarizes any part of a paper or assignment or engages in any form of academic dishonesty will receive an “I” for the class with a recommendation that a grade of F be assigned, subsequent to a College hearing, in accordance with the University policy on academic dishonesty. Other actions may also be recommended and/or taken by the College to suspend or expel a student who engages in academic dishonesty.

All papers and written assignments must be fully and properly referenced using APA 6.0 style format (or as approved by the instructor), with credit given to the authors whose ideas you have used. If you are using direct quotes from a specific author (or authors), you must set the quote in quotation marks or use an indented quotation form. For all direct quotes, you must include the page number(s) in your text or references. Any time that you use more than four or five consecutive words taken from another author, you must clearly indicate that this is a direct quotation. Please consult the current APA manual for further information.

Academic dishonesty includes using any other person’s work and representing it as your own. This includes (but is not limited to) using graded papers from students who have previously taken this course as the basis for your work, text from websites, blogs, etc. It also includes, but is not limited to submitting the same paper to more than one class. If you have any specific questions about plagiarism or academic dishonesty, please raise these questions in class or make an appointment to see instructor. This statement is consistent with the University Policy on Academic Dishonesty that can be found in your UH Student Handbook.

X. POLICY ON ACADEMIC ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES. Whenever possible, and in accordance with 504/ADA guidelines, the University of Houston will attempt to provide reasonable academic accommodations to students who request and require them. For more information and/or assistance, please contact the Center for Students with Disabilities at 713-743-5400.

XI. EXPECTATIONS FOR MAINTAINING A SAFE, RESPECTFUL LEARNING ENVIRONMENT AND CLASSROOM BEHAVIOR

A. Cellular Phones and Pagers: Students are asked to turn off (or activate the silent mode) cellular phones and pagers during class time. Disruptions of this nature compromise the academic process, and therefore will not be tolerated. If you have extenuating circumstances that prevent you from honoring this classroom rule, please schedule a meeting with me as soon as possible to advise me of your situation.
B. Classroom Behavior: The GOLDEN RULE for expected behavior in the classroom is to be respectful of yourself and your colleagues. By virtue of the nature of our profession, we will often engage in content and discussions in this course that elicit varied opinions, perspectives, and emotions. This will provide a well-rounded educational experience for all of us, if we practice and demonstrate the core values of social work.

XII. CONSULTATION
Professor Leal’s consultation hours are Tuesdays from 11:30-12:30pm and by appointment. Please call 832-541-1804 or email rleal2@uh.edu to schedule a meeting time in advance.
