Viki Kind, MA is a clinical bioethicist, medical educator, hospice volunteer and author of "The Caregiver's Path to Compassionate Decision Making: Making Choices for Those Who Can't."

Objectives:

- Examine the decision making critical pathway for those without capacity.
- Identify the framework and three tools which will help the loved one in the decision making process.
- Demonstrate how these tools will work in different situations, including end-of-life situations.
- Discuss how these tools respect the patient's culture and wishes.

The program provides 1 hour ethics CEU for Social Workers.

The program provides 1.0 contact hour on nursing continuing education.

This program is supported, in part, by the City acting as the Harris County Area Agency on Aging and the Texas Department on Aging and Disability Services, University of Houston Graduate College of Social Work Alumni Association, The University of Texas, School of Nursing at Houston, Brookdale Senior Living, and Horizon Bay Retirement Living.
