
Application for Field Placement at Your Place of Employment- FORM A

Dear Applicant,

If you are currently working at an agency where you would like to do your field placement, you must make sure that all of the attached paperwork is turned in to the GCSW Field Office. Remember- completing the paperwork is not a guarantee that your proposal will be approved. Listed below are the requirements that must be met.

- **AFFILIATION AGREEMENT**

Students may only be placed at an agency that has an affiliation agreement with the University of Houston-Graduate College of Social Work. If the social work agency of your current employment does not have an affiliation agreement, your agency must contact Jackie Griffin in the field office @ (713) 743-8088. Jackie will inform your agency how to become affiliated with the university.

- **FIELD REQUIREMENTS**

All students applying to complete the field practicum at their current place of employment must demonstrate that field hours will not be completed in their current position and that their field instructor is not their current employment supervisor. This is in accreditation standard 2.1.6 that states, "...Student assignments and field education supervision must differ from those associated with the student's employment". In addition, you may only complete a field placement at your place of employment for two semesters.

- **APPLICATION**

The application to complete field practicum in your current place of employment is attached to this form (3 pages). Be sure to fill out the information completely and neatly. Missing information will cause delays in the placement process. If you have additional questions, please stop by the field office or call us at (713) 743-8088.

Application for Field Placement at Your Place of Employment- FORM A
