JOB OPPORTUNITY POSTING

Job Title: Health Educator/ Youth Facilitator

Employer/ Agency: CHANGE Happens!

Job Description:
The Health Educator / Youth Facilitator is responsible for delivery of program curriculum in school and community-based settings. Other responsibilities include: outreach and recruitment, gathering data and completing monthly reports, and developing and fostering ongoing relationships with schools and school officials. This position reports to the Program Coordinator.

Qualifications
- Undergraduate degree in social work, psychology or behavioral science
- Experience in conducting presentations, delivering evidence-based curriculum, and working with youth
- Ability to adapt to a dynamic and changing environment
- Strong interpersonal skills and the ability to work with diverse community groups
- Excellent organizational, verbal and written communication skills

Responsibilities
- Facilitate evidence-based program activities using designated curriculum;
- Outreach and recruit youth to participate in program activities, including presentations, developing marketing material and other related activities;
- Develop, foster and maintain ongoing relationships with schools and community-based organizations;
- Develop and implement community-service projects for program participants;
- Prepare and submit monthly program reports;
- Develop, implement, and monitor strategies to achieve goals;
- Develop, prepare, and present program information, including awareness for the program, evaluation findings, etc. to schools and other members of the community;
- Review and enhance curriculum, maintaining fidelity to curriculum design;
- Obtain and develop educational materials and participant informational material;
- Provide incentives to participants meeting established criteria and maintain accounting of incentives distributed;
- Develop schedule for delivery of prevention curriculum;
- Participate in meetings and training as assigned;
- Collect data and participate in all evaluation activities;
- Identify problems and take the initiative to plan appropriate corrective action; and
- Complete other special assignments as needed.
