**University of Houston
Graduate College of Social Work
JOB OPPORTUNITY POSTING**

Job Title: Faculty Positions

Employer/Agency: University of Wisconsin Oshkosh

Job Description: The University of Wisconsin Oshkosh, Department of Social Work invites applications for one and possibly two faculty positions at the rank of Assistant Professor beginning September 1, 2013.

The University of Wisconsin Oshkosh is the third largest university in an extensive statewide higher education system. UW Oshkosh has been nationally ranked as an environmentally sustainable campus, while also being noted as a leader in the integration of liberal arts education that focuses on student learning outcomes. The campus is situated on the beautiful Fox River near the center of Oshkosh in the Northeast region of Wisconsin. The community provides opportunities for recreational and cultural pursuits and is in close proximity to the Great Lakes, northern forests, Milwaukee, and Chicago. The Department of Social Work offers an undergraduate degree in Social Work as well as the Master of Social Work Degree in collaboration with UW Green Bay.

Qualifications: Qualified applicants are expected to be willing and able to teach in both the BSW and MSW programs in at least two of the following curriculum areas: generalist practice, human behavior, research, and field practicum. This position also requires some student advisement in either the MSW or BSW program. Department of Social Work faculty engage in creative and collaborative curriculum planning with social work colleagues as well as colleagues in a variety of disciplines. Additionally, qualified candidates are expected to contribute to the published professional knowledge base and provide service to the profession, the community, and the university.

Interested applicants must hold an MSW degree and have a minimum of two years post-MSW professional social work practice experience. Additionally, qualified candidates must have earned the DSW, a Ph.D. in social work (or a related field) **OR** have significant senior level faculty experience. Applicants must have potential for excellence in scholarly research and teaching and have knowledge and understanding of undergraduate education for generalist social work practice. Demonstration of collaborative work with community partners and experience with diverse groups is essential.
