

Job Title	Substance Abuse Counselor Clinical Supervision (Corpus Christi, TX)
Employer/ Agency	Danya International, Inc.
Job Description	An opening is available to provide clinical supervision to US Navy substance abuse counselors stationed in Corpus Christi, Texas. This is a part-time contract position offering approximately 12 hours a month. Danya International, Inc. is under contract to the Navy to provide the Clinical Preceptorship Program.
Qualifications	The following are the minimum requirements as dictated by contract with the U.S. Navy: Master's degree or doctorate in Counseling, Psychology, Social Work or equivalent field from an accredited college or university. Currently licensed or certified and actively engaged in the provision of clinical services in either mental health or substance use disorder treatment. Seven years full-time direct counseling experience with substance abusers. Four years experience as a clinical supervisor of counselors who have a caseload in which at least 50% of clients were identified with a primary diagnosis of substance abuse or dependence. If in recovery from alcohol or drug abuse, a minimum of 4 years of sobriety. Qualified candidates must be available to deliver services during daytime business hours and pass a national security background check.
