

<b>Job Title</b>	Faculty Positions
<b>Employer/ Agency</b>	University of Montana
<b>Job Description</b>	The University of Montana School of Social Work invites applications for two vacant tenure-track faculty positions (open rank, depending on qualifications), to commence Fall 2014. The school is recognized for its pioneering work in competency-based social work education at the bachelor's level and an innovative two-year MSW program that prepares students as practitioners, community leaders, and scholars able to address the complex demands of 21st century social work. The program is committed to preparing students at both the bachelor's and master's levels who will promote social work's historic commitment to social justice, appreciate diversity, use critical thinking skills, and embrace advances in knowledge that promote the well-being of people to create a more humane society. The school is committed to maintaining collaborative partnerships with tribal, state, and community-based organizations and initiatives addressing social service and social change.
<b>Qualifications</b>	<p>A doctorate in social work or related area, (ABD considered). A masters in social work (MSW) and social work practice experience. Evidence of research and scholarly productivity. Interest in meeting the needs of rural and developing communities. Ability to teach in two or more curricular areas at both BSW and MSW level (direct practice with individuals, families, groups, and communities; research; policy; social welfare history; HBSE; organizational leadership and development; and community change). Commitment to quality teaching and promoting a collaborative teaching-learning environment.</p> <p>Candidates with the following experience are strongly encouraged to apply: Practice experience across diverse client systems, including Native American communities or international contexts; Ability in multiple research approaches (quantitative, qualitative, participatory); Experience in undergraduate or graduate teaching; Practice, teaching, and/or research experience in the areas of agency program development and management, or community and social development; Demonstrated success in securing funds for research and/or project development; Interest in assuming future leadership roles within the School of Social Work; And exceptional interpersonal, organizational, and communication skills.</p>
