

<b>Job Title</b>	YV LifeSet Transitional Living Specialist-Tulsa, OK
<b>Employer/ Agency</b>	Youth Villages
<b>Job Description</b>	<p>Youth Villages has been a national leader in the adoption and implementation of research-based treatment philosophies in the field of children's mental and behavioral health. Our commitment to helping troubled children and their families find success spans 30 years and includes a comprehensive array of programs and services.</p> <p>If you are looking for a positive career move where you are meeting the challenges of life and striving to make a positive difference, then Youth Villages is the place for you. We are looking for people with a strong sense of purpose and focus to continually build confidence in yourself and our organization.</p> <p>Since 1999, YVLifeSet has helped more than 8,000 young people aging out of state custody or other care arrangements successfully transition to independence. Participation in the YVLifeSet program is voluntary. Specially trained YVLifeSet specialists meet with YVLifeSet participants at least once a week-and more often when needed-in community settings, including their homes, at school or on the job, at a doctor's office or wherever is most convenient for the young person. Specialists are available 24/7 to help the young adult. Young people typically participate in the program for 6 to 12 months, based on individual needs.</p> <p>As a YVLifeSet Specialist, one provides individual counseling and case management services to clients in the home and community setting to assist clients with transitioning to adulthood, specifically obtaining and maintaining safe and suitable housing, continuing their education, learning independent living skills, obtaining and maintaining employment, building a support system and remaining free from legal involvement.</p> <ul style="list-style-type: none"> <li>-Carry a caseload of 8-10 young adults.</li> <li>-Provide individuals therapeutic treatment interventions for assigned caseloads and provide case management.</li> <li>-Conduct individual/cognitive interventions with the primary objective being to teach the young adults to think for him or herself. A specialist provides individual cognitive behavioral therapy to client as needed.</li> <li>-Meet with client a minimum of one time per week, increasing and decreasing as directed by supervisor on the basis of clinical need.</li> <li>-Conduct on-going assessment of the clients' needs from a strength focused, solution based perspective.</li> <li>-Maintain a flexible schedule that is convenient for the client in order to meet clients' needs.</li> <li>-Monitor the quality of all services performed for the client by outside agencies, coordinating services with the treatment plan and teaching the young adult to attain and monitor series after treatment is completed.</li> <li>-Provide on-call crisis support to the client M-F 24hrs/day, On-Call weekend rotations</li> <li>-If clinical licensure hours are needed (LPC, LCSW, etc), this position qualifies for</li> </ul>

	<p>gaining those as you work with young people.</p> <p>Requirements</p> <ul style="list-style-type: none"> <li>-A Master's degree in a social services discipline is preferred</li> <li>-A Bachelor's degree in a social services discipline is required</li> <li>-Degrees that can be considered include: social work, drug and alcohol education or counseling, psychology, criminal justice, guidance counseling, or marriage and family therapy.
