

Job Title	Senior Medical Social Worker
Employer/ Agency	Baylor College of Medicine - Pediatrics
Job Description	The Trauma and Grief (TAG) Center at Texas Children’s Hospital/Baylor College of Medicine seeks to fill a Social Worker position at the City of Santa Fe Resiliency Center. This position will be based in Santa Fe, TX and will involve implementing evidence-based assessment and trauma-informed interventions for traumatized and/or bereaved youth and adults who were impacted by the school shooting at Santa Fe High School on May 18, 2018. This person may also be involved in the training and dissemination of these practices nationally as part of a series of trainings hosted by our TAG Center, a Category II Treatment and Service Adaptation Center of the National Child Traumatic Stress Network. The position requires close collaboration with treatment developers to support monitoring of fidelity to treatment and refinement of interventions to ensure cultural attunement. The position also involves working within a multidisciplinary team of social workers, psychologists, psychiatrists, and pediatricians.
