

<b>Job Title</b>	Social Worker Resources Specialist
<b>Employer/ Agency</b>	Partners in Primary Care
<b>Job Description</b>	<p>Healthcare isn't just about health anymore. It's about caring for family, friends, finances, and personal life goals. It's about living life fully. At Partners in Primary Care, a division of Humana, we want to help people everywhere, including our associates, lead their best lives. We support our associates to be happier, healthier, and more productive in their professional and personal lives. We encourage our people to build relationships that inspire, support, and challenge them. We promote lifelong well-being by giving our associates fresh perspective, new insights, and exciting opportunities to grow their careers. At Partners in Primary Care, we're seeking innovative people who want to make positive changes in their lives, the lives of our members, and the healthcare industry as a whole.</p> <p>The Social Worker Resources Specialist assesses and evaluates member's needs and requirements to achieve and/or maintain optimal wellness state by guiding members/families toward and facilitate interaction with resources appropriate for the care and wellbeing of members. The Social Worker Resource Specialist work assignments are varied and frequently require interpretation and independent determination of the appropriate courses of action.</p>
