

<b>Job Title</b>	LCSW
<b>Employer/ Agency</b>	West Texas Counseling and Guidance
<b>Job Description</b>	LCSWs provide community based mental health services: including the provision of individual, couples, family, and group psychotherapy, as well as psycho-education within the scope of training and expertise of each individual. Clinicians are expected to maintain proficiency in CBT as a primary mode of treatment for issues such as depression, anxiety, substance use, etc. Clinicians keep a regular schedule to facilitate the scheduling of appointments by administrative staff. In addition to maintaining a client caseload, the clinician will network with community agencies to provide education, skill development workshops, and consultation to referring community professionals and organizations. Clinical staff are required to maintain appropriate licensure in order to provide clinical services, and they must abide by their license's code of ethics, comply with privacy and confidentiality rules and regulations (HIPAA and state guidelines), and make themselves aware of the rules, policies and procedures contained within the Policies and Procedures Manual. Opportunities to make more than salary listed, once on a percentage reimbursement.
<b>Qualifications</b>	Licensed clinical social worker (LCSW), current valid Texas license; • Two plus years of community based counseling/therapy experience; • Demonstration of clinical competence in at least one primary area of practice (CBT ACT certification, Gottman certification, RPT, CPT, etc.) within 2 years of hire; • Strong public speaking and writing skills; • Proven interpersonal skills and effective as a member of a team; • Ability to maintain relationships with client base and community stakeholders; • Knowledge about community resources and social services; • Training in suicide prevention and crisis intervention; • Knowledge and experience in identification and reporting of abuse, neglect, or exploitation of children, the elderly, or persons with disability; • Proficient in use of Microsoft Office, specifically Word, Excel, PowerPoint, & Outlook; • Proficient in the use of EHRs; • Must maintain valid, current Texas professional licensure appropriate to provide clinical services; • Must maintain professional liability insurance; • Must pass comprehensive background check; • Must have driver's license and reliable transportation, and be insurable; and, • Preferred: bilingual; Veteran; Texas license; ability to treat: substance use issues, eating
