

Job Title	Therapist/Counselor
Employer/ Agency	West Texas Counseling and Guidance
Job Description	Therapists provide community based mental health services: including the provision of individual, couples, family, and group psychotherapy, as well as psycho-education within the scope of training and expertise of each individual. Therapists keep a regular schedule to facilitate the scheduling of appointments by administrative staff. In addition to maintaining a client caseload, the clinician will network with community agencies to provide education, skill development workshops, and consultation to referring community professionals and organizations. This position works closely with area FQHCs. Clinical staff are required to maintain appropriate licensure in order to provide clinical services, and they must abide by their license's code of ethics, comply with privacy and confidentiality rules and regulations (HIPAA and state guidelines), and make themselves aware of the rules, policies and procedures contained within the Policies and Procedures Manual. Clinical staff report to the clinical director and ultimately the executive director.
Qualifications	<ul style="list-style-type: none"> • Graduate or doctoral degree in a clinically relevant discipline with related current Texas licensure as a licensed clinical psychologist (PhD or PsyD), licensed clinical social worker (LCSW), licensed professional counselor (LPC-S or LPC), licensed marriage and family therapist (LMFT), or intern (LMSW/LPC Intern/LMFT/PLP) currently in supervision; • Two plus years of community based counseling/therapy experience; • Knowledge about community resources and social services; • Training in suicide prevention and crisis intervention; • Demonstration of clinical competence in at least one primary area of practice (ACT certification, Gottman certification, RPT, certified in EMDR, CPT, etc.) within 2 years of hire; • Knowledge and experience in identification and reporting of abuse, neglect, or exploitation of children, the elderly, or persons with disability; • Strong public speaking and writing skills; • Proven interpersonal skills and effective as a member of a team; • Ability to maintain relationships with client base and community stakeholders; • Proficient in the use of EHRs; • Must maintain current Texas professional licensure appropriate to provide clinical services; • Must maintain professional liability insurance; • Must pass comprehensive background check; and, • Must have driver's license and reliable transportation, and be insurable. • Preferred: bilingual; Veteran; full clinical licensure; social worker; ability to treat: substance use issues, eating disorders, Veterans & families; TBI, & personality disorders.
