World Affairs Lounge – Flag Policy
- Ms Grew-Gillen stated that she could not find an institution that had a policy in place concerning international flags. Chair Kenfield stated that this could be a project for summer to try and have something together by the first UCPB meeting in the fall. Mr. Kowalka wanted to know what the response should be if someone inquired about the status of the Vietnam flag prior to the beginning of the fall semester. Chair Kenfield suggested that the person(s) inquiring be made aware that a solution regarding flags was being sought.
