SEASON’S GREETINGS!

Dear Friends,

This semester has seen great progress. In fall 2018, we:

• Engaged more than 150 Fort Bend area high school students and their families who attended our first-ever UH Day in Sugar Land.
• Opened the doors to Cougar Corner, proudly brewing Starbucks coffee!
• Celebrated the construction milestone with a topping out ceremony for our new UH College of Technology building.
• Joined with nearly 200 students, their families and benefactors for the Annual Scholarship Dinner.
• Gathered stakeholders to plot the course of our campus in a Strategic Plan.
• Welcomed elementary and middle school students to tour our campus (check out the video!).
• AND welcomed more than a class to students to class.

This month marks the end of the first year of the Associate President in Sugar Land. I want to thank everyone who contributed to our successful semester—faculty, staff, supporters, donors, and, of course, our wonderful students. I’m proud of you and the work we accomplished together.

Let’s use this break to rest, retool and recharge. We have big plans for 2019.

Remember that the University of Houston is closed from Dec. 24 – Jan. 1. Go Coogs and happy holidays!

About the University of Houston at Sugar Land

The University of Houston at Sugar Land is the University of Houston’s-At-Sugar Land Campus. As an institution of the University of Houston—Texas’ public university system—UH Sugar Land is student-centered, industry-informed and community-inspired. Our University of Houston—At-Sugar Land curriculum provides access to the student life and career development opportunities available throughout the University of Houston System.

The University of Houston at Sugar Land is the result of a partnership between the University of Houston System and Fort Bend ISD. The campus is a facility of the University of Houston System and stands as a testament to the importance of post-secondary education in the greater Fort Bend area. UH Sugar Land is committed to the success of the area and works in partnership with area businesses, city and county leaders, residents, and out-of-town, out-of-state, out-of-country students. It is important to us that the work we accomplish together.

Let’s use this break to rest, retool and recharge. We have big plans for 2019.
