NEWS BRIEFS:

Tony Ambler, dean of the UH College of Technology, has been appointed to serve as principal investigator and director of the UH Borders, Trade, and Immigration (BTI) Institute. The institute delivers transformational technology-driven solutions, data-informed policies, workforce development opportunities for today’s Homeland Security Enterprise, and trans-disciplinary education for the next generation of homeland security experts. The BTI is one of five nationally-recognized centers located at UH.

City of Sugar Land Mayor Joe Zimmerman is the commencement speaker for the UH College of Nursing ceremonies planned for May 11. The event will be held from 3 – 5 p.m. at the university of Houston at Sugar Land, Brazos Hall, Susan Ryan Davis Multipurpose room. Zimmerman is a 1983 graduate of the UH College of Engineering.

Three UH Digital Media program students are finalists in the Photographer’s Forum magazine 38th Annual College & High School Photography Contest. Work by Mariana Lizet, Erika Limones and Jinelly Swasey will be published in the hardcovers book ‘Best of College & High School Photography 2018.’ This year more than 12,000 photographs from the U.S., Canada and around the world were considered.
