Shasta's Cones & More Tests Two New Blue Bell Flavors

Shasta's Cones & More, the student-led/student-managed ice cream and gourmet treat retail outlet in the lower level of the University Center is pleased to announce that we have two new Blue Bell Ice Cream test flavors that came in this week. These two test flavors are only available in 3 gallon tubs for use by restaurants and ice cream retail outlets, so they will not be available at your local grocery store.

The two new flavors (which will be available for the next few months) are:

- Cake Batter - a rich vanilla-based mixture that almost comes directly out of grandma's kitchen
- Fire and Ice - combines cool vanilla ice cream with the fiery taste of red-hots mixed-in

Shasta's accepts cash, credit cards, debit cards and P-cards.

If you have questions, please call Shasta's Cones & More (713.743.2777) or call Bill Schwehr (Manager of UC Leisure Services) at 713.743-5322.
