Contact the Financial Aid office at (713) 743-1010, option 5 regarding a possible wait list.

**What if I can’t access College Work-study jobs in Cougar Pathway?**
Before you can begin searching or applying for CWS jobs, you must first have applied for, received, and accepted the CWS award through the myUH – Financial Aid account, [www.accessuh.uh.edu](http://www.accessuh.uh.edu). If you have accepted your award and still do not have access, please contact University Career Services.

**Can I accept my award and not take a job right away?**
Yes, but be aware that there is no guarantee that a CWS position will be available later and awards may be taken away after a certain time period; please consult with Financial Aid.

**Will there be College work-study jobs available at all times?**
CWS jobs are dependent on the needs of the university departments and offices. Jobs are posted throughout the year.

**Do I actually have to work in order to receive the CWS award?**
YES, you have to work in an approved CWS position in order to receive the money of the award. Students can work up to 20 hours per week. In addition, students are paid on a bi-weekly basis.

**How do I complete a Criminal History Record Investigation (CHRI)?**
To process your Criminal History Record Investigation (CHRI), you will receive an email from HireRight with instructions for completion. HireRight is a third-party background screening company.

**Does my paycheck go directly to any outstanding balance on myUH account?**
Work-Study students are paid bi-weekly (every two weeks). Work-Study students must sign in for work as they report to work and sign out as they leave each day. Students’ paychecks will be deposited directly into their bank account after required paperwork is completed with Human Resources/Payroll. It is the responsibility of the student to pay any outstanding balances.

**Can I quit my job?**
You or your employer may terminate your position at any time. Please give your employer a courtesy two weeks notification. Your employer will need to fill out the necessary termination forms in order for you to obtain another CWS position.
