Event Highlights

Industry Insight Talks

Companies will have the opportunity to talk about the latest AI innovations and their transformative effects on their industry sector. We invited companies from energy, healthcare, tech, and more. Students will have the opportunity to discuss the role of AI in shaping the industry landscape.

Interactive Career Panel

Panelists will tell our students what skills are essential to thrive in an AI-dominated industry, and give them first-hand advice on making themselves a standout candidate. A perfect opportunity to answer their burning questions!

Career Advancement Tips

Students will have networking opportunities to connect with professionals and peers in the field. Exchange ideas, share experiences, and attract students to your company.

AI Career Mixer

Meet face-to-face with our students who are looking for internships and employment opportunities upon graduation. Peruse their resumes and interview them at the Mixer.
