HELLO COOGS!

We hope you are having a great semester, and that you are enjoying the new look of our university!

To learn how to research job postings or to improve your interview skills in an effective way, you are welcome to set up an appointment with our counselors. Contact us for our walk in hours.

Walk-ins are first come, first served, and you can expect to spend 15 minutes with the counselor.

Hello Coogs! Internships are a great way to gain practical experience in a professional setting before, or after, you graduate. If you are unsure how to go about finding an internship or are confused about what types of skills you would like to develop, set an appointment with a career counselor. University Career Services is open all summer to help you during your career development process. Whether you are a freshman just finishing up your first semester or are a senior graduating in May, it is never too early or too late to begin planning for your future career. What better way to explore opportunities while boosting your resume than to obtain a summer internship. In this newsletter, you can find a variety of internships targeting a wide range of majors. Check out Job Bank at www.uh.edu/ucs for even more internship opportunities.
