* ARTS 1303 and 1304 may be taken in any order.

*** French or German is recommended for students who wish to pursue graduate work in Art History.

> Students MUST meet with the UH School of Art advisor before beginning the 3rd semester of college courses because of the specified sequence of courses that is required. Combining enrollment in core courses with major requirements will help maintain full-time enrollment.

> UH School of Art faculty must individually determine how courses not specifically listed above may apply to the degree plan of the intended major. Students are urged to retain syllabi and samples of work from these courses for UH faculty to review.

> Students who currently attend UH should refer to their departmental advisor BEFORE taking courses at another college.

> See department or course catalog for further information on your degree plan.

A maximum of 66 hours (grades C- or better) of 1000/2000 level transfer hours may be applied toward a UH degree.

*TEXAS UNDERGRADUATE IN-STATE TUITION ENROLLMENT CAP*

Students enrolling at a Texas public university or community college for the first time will be affected by the enrollment cap. There is now a limit on the number of hours those students may attempt while paying in-state tuition.
