Re: Change of ITEC Rubric to CIS Rubric for Major courses

RECEIVED OCT 15 2010

In order for the CIS Program to obtain ABET (Accreditation Board for Engineering and Technology) Information Systems (IS) Accreditation, the Texas Coordinating Board of Higher Education in May 2009 approved the change of the Information and Systems Technology Degree Plan to the Computer Information Systems Degree Plan. The CIS Faculty would like for our Major Courses to reflect the change in the name of our program so therefore in May of 2010, the CIS faculty voted to recommend changing the ITEC Rubric to CIS for all of the CIS courses with the exception of ITEC 1301 and ITEC 3325.

Listing of the courses that will have the new Rubric:
