Re: Certificate in Global Studies and Research

RECEIVED NOV 18 2010

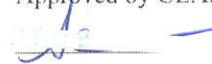

Memo

As you know, the CLASS Undergraduate Studies Committee, the Undergraduate Council, and the Office of the Provost approved the certificate in Global Studies and Research earlier this year. I write at this time to request that CLASS add the certificate in Global Studies and Research to its list of alternatives to a minor.

Complete details about the certificate, including course requirements and a list of minors that can be used as foundations for the certificate, are listed in the current undergraduate catalog under Colleges -> Honors -> Special Programs -> Certificate in Global Studies and Research; or online at <http://www.uh.edu/academics/catalog/colleges/hon/special-programs/c-gsr/index.php>.

Thank you for your consideration, and please contact me if I can provide additional information.

Approved by CLASS USC

Dr. Sarah Fishman
