SUBJECT: UC 12213 12F: Proposal from the Department of Mathematics to change credit by examination minimum score

DATE: November 28, 2012

Details

The Mathematics Department has requested to change the minimum scores on the AP Calculus AB and Calculus BC tests from 3 to 4 for credit by examination in MATH 1431 and MATH 1432. The NSM curriculum committee unanimously approved the change. The change is in response to students not being well enough prepared for the subsequent calculus courses.

Recommendation

The Academic Policy and Procedures subcommittee recommends approval of UC 12213 12 for implementation in Fall 2013.
