Re: HDFS Degree plans

Received FEB 20 2014
J

The HDFS program area is submitting 4 revised degree plans and the minor plan for consideration.

In order to clarify the differences between the degree plans, the major changes are listed below.

1. The Computer Literacy Course has been eliminated from all degree plan:
 - a. This requirement was originally (10 years ago) intended to ensure that our students had sufficient computer literacy in common programs, i.e., Word, Excel, Powerpoint, for jobs in the human services field. Currently, HDFS courses require a high degree of computer literacy in many common applications, culminating with production of an electronic portfolio, rendering this requirement obsolete.
2. We have removed CUST 3320: Multicultural Environments, from all degree plans.
 - a. For the previous last two years, this course has been cross-listed with another required course, HDFS 4315: Culture and Diversity
 - b. It will likely not be taught regularly in the future.
3. We have added HDFS 4318: The Human Ecology of Parenting to the required major core for every degree plan.
 - a. Students are required to take multiple courses in human development, but only one in families. This addition strengthens the "Family Relationships" component of our major.
 - b. Many internship sites involve work with parents, making this course particularly relevant.
4. HDFS BS degree plan with Nonprofit Leadership Alliance Certification
 - a. This plan previously required fewer SCH in HDFS than other plans. In a recognition that these students are working in setting in which health related knowledge is particularly important, we are requiring that these students take at least one Health course from the list of Health electives.
 - b. We are raising the SCHs in the area elective requirement from 12 to 15. Both the HDFS BA and BS plan with minor require 15 hours of area electives.
5. HDFS BS degree plan with double major
 - a. In order to accommodate the addition of Parenting as an elective, we are reducing the number of SCH required in area electives from 15 to 12.

6. We are adding EPSY 3300: Educational Psychology and EPSY 3360: Individuals with Disabilities to the courses listed on the minor degree plan. These are already required as part of the HDFS major.

Thank you for your consideration.

**TOTAL DEGREE REQUIREMENTS:
120 hours minimum**

† minimum 2.0 overall UH GPA to declare Human Development & Family Studies major

NOTES:

- Social and Behavioral Science – we recommend SOC 1300 as it is a pre-requisite to SOC 3318.
- Core curriculum course listings can be found online in the current Undergraduate Catalog (google "core curriculum", select Courses by Category then select category)
- Computer Literacy: Choose COSC 1300, MIS 3300, or ITEC 1301 (COSC 1300 or ITEC 1301 recommended)
- Math Reasoning classes can be chosen from ANY courses listed in the Undergraduate Catalog under Math/Reasoning. Our department recommends: MATH 1312, MATH 1313, MATH 2311, MATH 2303, PSYC 3301, or PHIL 1321.

Student Responsibilities/ To Do List:

- _____ Need transfer credits to post: submit &/or follow-up with Registration & Academic Records
- _____ To petition classes to count for a particular course submit a transfer or general petition form
- _____ Contact University Testing Services regarding test credits (AP/CLEP)
- _____ To declare major submit a general petition form.
- _____ File an official degree plan.
- _____ Apply for graduation through PeopleSoft by deadline.
- _____ Meet with major advisor each semester.
- _____ Watch your GPA – UH GPA below 2.0: Academic Notice/Academic Probation/Academic Suspension
- _____ Program GPA minimum 2.0 overall - Current GPA _____
- _____ Last 30 hours must be completed at **UH** (no dual enrollment; no new transfers)
- _____ Need a minimum of 120 hours to fulfill the degree requirements

Transfer Cap: The maximum number of lower level hours you can transfer to UH from ANY institution is 66 credit hours. Courses taken at a community college will **always** be considered lower level courses. Do not assume course you took elsewhere will transfer to UH as equivalent.

30 Hour Rule (UH Residency): The last 30 hours prior to graduation must be completed at UH with no dual enrollment (being enrolled at UH & another school at the same time) and no new transfer credits! All transfer work should be completed & transferred by junior year.

UH Repeat Rule: Texas-resident undergraduate students who *attempt* a course with the same content for a third or more times will be charged a premium tuition rate - an additional \$100 per semester credit hour over the Texas resident rate - for those credit hours.

The "W" Policy (Withdrawals): Effective Fall 2007, student may only withdraw from a max of 6 classes during their college career (this includes UH and transfer courses). Any withdrawals thereafter will automatically be turned into "F". No petitions for grade changes will be accepted. The "F" is final.

Texas Undergraduate Tuition Hour Cap: If you were first enrolled in a Texas public university or Jr. College any time after Fall 2006 and complete 30 hours over the total number of hours required by your degree plan, you will be charged out-of-state tuition for any courses taken thereafter. If you were first enrolled prior to 2006, the tuition cap is in effect 45 hours over the total hours required for degree. Any students first enrolled prior to Fall 1999 are exempt from the in-state tuition cap.

Hours Needed to Degree: Students must complete a *minimum* of **120** hours of coursework in order to obtain a Bachelor's degree. Remedial and Repeated Courses will not be counted towards the hours needed for degree. Of those 120 hours, a **minimum of 36 MUST be advanced hours**.

***Applying for Graduation:** Schedule an appointment at the beginning of your final semester to ensure all requirements are met. You must apply for graduation online at the beginning of the semester you intend on graduating. If you are disapproved for graduation, you will need to re-apply for graduation the following term.

***Lower Level** = 1000/2000 (freshman/sophomore level courses) **ADV (advanced)** = 3000/4000 (junior/senior level courses)
