III Administration Representatives' Reports

A Libby Barlow, Academic Affairs

The revised core curriculum was approved by the Coordinating Board. UH administration is waiting for details/next steps from the CB on what to do in the next two years. Issues such as: how to accomplish assessment pieces?, how many courses UH wants in the core? the appropriateness of upper level core courses, the large WID category need to be considered. We need to identify other problem areas. Libby stressed to the Committee that no decisions are happening yet. However, discussions faculty and the colleges need to take place soon (spring 2012).

B Debbie Henry, Registration and Academic Records

End of term processes will be taking place soon. Grade rosters are available and faculty will have until December 19th to submit grades electronically to RAR. The electronic submissions of grades will not be available after December 19th. Therefore manual submission of grades is required. RAR will send an email reminder to faculty regarding NR grades on Monday. Also, academic standing will run on December 20th.

C Djuana Young, Office of Admissions

The Office of Admissions will be hosting two spring 2012 conferences in December. As a reminder the bacterial meningitis vaccine is required for returning 2012 spring students. Admissions is working with the UH Health Center. NSO/ART attendees can choose spring classes but can't register if not vaccinated. Vaccination cost is included in student fees. December 1st is the deadline for spring 2012 to be submitted to UH Admissions Office. Priority applications are up by thirty percent. UH is able to award scholarships earlier. The quality of students (freshman class) has approved. She distributed admissions statistics regarding the 2011 freshman class.

D Heidi Kennedy, Academic Program Management

Appropriate reminders regarding academic standing & readmission process are in place. Admissions has sent documents and communications regarding these processes to colleges.

E Student Success Subcommittee – No Report

V New Business, UC Chair Simon Bott

A The faculty senate elections for 2012 has begun. UC Faculty Senators should have received an email invitation to vote. Please contact Mark Clarke if you didn't receive the email.

B There's a new change to FAFSA processing. There's a capability to tie in the FAFSA to an income tax return electronically. Financial aid processing times at colleges/universities will become much shorter with this change. Filing the FAFSA manually will take longer. Students/parents are encouraged to file their income tax as soon as possible.

C Simon Bott thanked the Committee for their hard work this fall. He wished everybody a safe/happy winter break and looks forward to seeing everybody in the new year.

VI Adjournment
