### COURSE DESCRIPTION AND LEARNING OUTCOMES

This course continues the material begun in Music Theory I (MUSI 1310). Topics include harmony and voice-leading procedures with modal mixture, sequences, applied chords, and modulations; and analysis of basic tonal phrase rhythm, including standard periodic phrase structures. The basis for the course is the music of the Western classical tradition, in particular that of the tonal (common-practice) era—music from approximately 1700 to 1900. Students will become fluent in: basic musical materials (intervals, scales, chords); diatonic tonal voice leading and harmonic progressions, as implemented in four-part SATB writing; figured and unfigured bass realization; melody harmonization; and harmonic analysis of excerpts from the tonal literature. Students also will achieve analytical and aural fluency with basic tonal phrase designs.

### PREREQUISITES

You must have received a grade of C- or better in Music Theory I (MUSI 1310).  
You must be enrolled concurrently in Aural Skills II (MUSI 1171).

Any grade below C- will be considered non-continuing; students who earn below a C- will not be permitted to enroll in Music Theory III. ALSO: A PASSING GRADE ON THE THEORY II FINAL EXAM (WHICH WILL BE COMPREHENSIVE) IS A PREREQUISISTE FOR MUSIC THEORY III. (That is: it is possible to pass the course, fail the final, and not be permitted to enroll in Theory III.)

## ASSIGNMENTS AND QUIZZES

Expectations for the course include keeping up with the assigned daily work. In that spirit:

Assignments are due at the beginning of class on the date indicated, and the due dates are not negotiable. Late assignments will be accepted for full credit only with a written, valid excuse. LATE ASSIGNMENTS WILL BE ACCEPTED FOR PARTIAL CREDIT ONLY THROUGH THE START OF THE NEXT CLASS MEETING, AND WITH A PENALTY OF ONE LETTER GRADE FOR EACH DAY THE ASSIGNMENT IS LATE. Note that you are responsible for the work assigned in class even if you are absent from class, and that the assignment is still due on the date indicated—you should check the [schedule](#) online to see what material was assigned, and you should obtain notes on the relevant material from a classmate. Remember that your lowest two assignment grades will be dropped.

Exams also provide a means for your instructor to test your mastery of the material.

Exam dates are posted on the [course schedule](#). **Make-up exams will only be given if you provide a written, valid excuse for why you missed the exam.** If you cannot do this, your grade for the missed exam will be 0.

The final exam (the comprehensive exam 3) will be given on the scheduled final exam date for this course (Friday July 13, 8:00–11:00am in room 118). Please plan in advance—the exam cannot be given at alternate times for individual students, and make-up exams will not be given without a written, valid excuse for why you missed the exam. And please plan to be at the exam for all three scheduled hours.

## ACADEMIC DISHONESTY

You are expected to do your own work on all assignments, quizzes, and exams unless instructed differently; any work you hand in at any time should be your own unless you are assigned to do otherwise. Problems with academic dishonesty will be handled according to the [procedures outlined in the undergraduate student handbook](#) and in the undergraduate course catalog. Please note that the mere suspicion of academic dishonesty is enough to initiate official action; please do not put yourself in the position of having to deal with this kind of situation.

## DISABILITIES

If you have a disability that affects your capacity to complete assignments, quizzes, or exams in a timely manner, please inform me at the beginning of the semester so that appropriate arrangements can be made. You will need to document your disability with the UH [Center for Students with Disabilities \(CSD\)](#): 100 CSD Building ([click here to get a map](#)), 713 743 5400. The CSD will provide information on your disability to the instructor, and the instructor and student will work out a mutually agreeable arrangement (based on recommendations provided by the CSD) for how to accommodate the disability.

## OTHER INFORMATION

It should be clear that in order to maintain a productive environment in class students are expected to behave with courtesy and respect toward their instructor and their classmates. Students will be dismissed from class if they are found to be creating excessive disruptions. **This includes disruptions from cell phones: turn them off.**
