Requirements - M.F.A. in Creative Writing

Admission is competitive and applicants must satisfy the requirements of both the Department of English and the Creative Writing Program. Primary emphasis will be placed on the creative manuscript in all applications. Approximately 8 – 10 students in the genres of poetry and fiction each and 2 – 4 students in creative non-fiction are admitted each year. These numbers are inclusive for both the M.F.A. and Ph.D. programs. For further information, call 713-743-3013 or 713-743-3014.

Prerequisites
A bachelor's degree with a minimum 3.0 grade point average in the last 60 hours attempted. (Exceptions to the GPA requirement may be made if the creative manuscript shows exceptional merit.)

12 hours of advanced English (courses above a sophomore level) with an average of 3.0 or better.

Two years of college level study in one foreign language or a score of 450 on the GSFLT or otherwise demonstrating reading knowledge of a foreign language. Students who do not meet this prerequisite can still be admitted to the program, but they will be required to develop a competency in a foreign language while pursuing the M.F.A. The foreign language competency can be met in several ways. Please see the discussion of foreign language requirements on the English Graduate Studies website.

Application Requirements

The online application number

Two (2) official transcripts (sealed in the issuing envelope) from every institution of higher education attended (one set should be sent to the CWP, one set to the UH Admissions Office).

Three (3) letters of recommendation from teachers or professionals familiar with your writing and academic skills. Letters will be solicited by the UH Admissions Office.

Official GRE (General exam) scores. Official ETS copy of the report is required and should be sent to the University of Houston/University Park: institution code R6870. No department code is needed and indicating one will slow down the application process. Note: Scores take 4 – 6 weeks to reach the university for official verification. Please plan your test date accordingly. Applicant without GRE scores will not be offered admission.

An original creative manuscript (maximum 10 pages of poetry or 20 – 25 pages of fiction or non-fiction). Fiction and non-fiction manuscripts should be double-spaced, on numbered, single-sided pages; poetry can be single-paced and formatted as desired. All manuscripts should be emailed. Note: Submitting more than the recommended amount is strongly discouraged and could adversely affect the evaluation process.

A statement of intent. In 1,000 or fewer words, state why you wish to pursue graduate study in creative writing: which writers in your genre you are reading and their import to you and your work: and whether you have taught before and intend to pursue teaching as a career. This should also be sent to the UH Admissions Office.

Awards, fellowships and publication. List any to date on a separate sheet of paper.

Your $75 application fee in the form of check or money order payable to the University of Houston if you’ve not paid via credit card online with the application.

All materials should be sent by the December 15th deadline to:
