June is National Safety Month!

In recognition of National Safety Awareness Month, we are encouraging our staff throughout the month of June participate in numerous fun and informative safety activities that will increase their safety knowledge in the workplace and home environments.

**National Safety Awareness Month Activities:**

- Facilities Services Safety mascot Design Competition
- Safety Puzzles Competition
- Employee Safety Demo Day
- Safety topic games
- Raffles

The National Safety Awareness Month activities are open to all of the Facilities Services Staff and we anticipate full participation during these events.

For more information about the National Safety Awareness Month activities, please contact Rufus Kemp Central Facilities Manager Programs Administration at rdkemp@central.uh.edu or 713-743-5519
