In order to accurately determine your Federal aid eligibility with University of Houston, we are required to review your student aid history within the National Student Loan Data System (NSLDS). It appears you have active federal student aid within the same academic year in which you are currently enrolled with our institution.

If you have already received aid for the current semester and your loans are in excess of annual borrowing limits or federal aggregate limits, it may affect your Spring 2010 aid eligibility at UH. If you have not received aid for the current semester, the information provided on this letter will allow our office to accurately package your aid, provided you have a completed financial aid file.

Please submit this form to your previous school’s Financial Aid Office so we may determine your remaining Federal aid eligibility for the remainder of the current academic year.

Please print and sign your name below to give authorization for the school to release your information.
