Answer a Call

To answer a call, choose one of three options:

1. Lift the **Handset**.
2. Press the **Speakerphone** button.
3. Press the **Headset** button.

Make a Call

To make a call, choose one of two options:

1. Dial a **5-digit** campus extension.
2. Dial a **10-digit** off-campus number.

You no longer need to use a 9 to dial off-campus.

Long distance call: a domestic number [wait for the beep] + your long distance code.

International call: 011 + an international number [wait for the beep] + your long distance code.

Put a Call on Hold

To put a call on hold:

1. During a call, press the **Hold** button.

To retrieve a call from hold:

1. Press the **Hold** button.

Redial a Number

To redial a number:

1. Press the **Redial** button.
Record Your Voice Mail Greeting

To record your voice mail greeting:

1. Press and hold the 1 key.
2. Say **Personal Options** into your handset.

Follow the instructions given to you over the phone by the Lync assistant.

Check Your Voice Mail

The Voice Mail indicator light appears red on the 1 key of your phone if you have a message waiting for you.

To check your voice mail:

1. Press and hold the 1 key.
2. Say **Voice Mail** into your handset.
3. Follow the instructions for checking your voice mail.

**Note:** To use the touchtone menu rather than the voice menu, press 0 after calling your voice mail.

To check your voice mail from another campus phone:

1. Dial **713-743-6111**.
2. Follow the prompts.

To check your voice mail from off-campus:

1. Dial **713-743-6111**.
2. Follow the prompts.
