The goal of the University of Houston is quite simple. To bring the best minds and resources in the world to Houston. It’s paying off. The university is ranked #1 in Health Law and in the top four in Intellectual Property and Information Law by U.S. News & World Report. And today over 11,000 Cougar graduates have entered the legal marketplace with the right tools for success. That’s what makes a great university, a great university.
