How Child-Rearing Creates Spontaneous Peacocks

Parents are always right.
1. Parent's are the center of their lives and all.
2. Strong emotions are normal.
3. The body is something dirty and disgusting.
4. The emotional needs must be shielded.
5. The child is held responsible for their Alger.
6. They are driven inaffle fashion, a good yard is right and
7. Because they are children, they are not responsible.
8. They are not responsible for their behavior because they are
9. Children are undertonics of respect simply because they are
10. Respect comes with the territory on any love.
