Challenges

- Operating costs continue to rise (CPI, wages, rent, social responsibility, etc.)
- Existing program does not generate enough revenue to be self supporting.
 - 54.4% is subsidized from other Auxiliary Services programs
- Quadrangle to go offline in Dec. 2017 (800 beds ~24 months)
- Current condition of SC Satellite
- Request for more and/or new retail locations, e.g. Law Center, Vietnamese Sandwich Shop
- Expansion of service for religious, vegan, and other dietary restrictions
- Upkeep of equipment and facilities

The Future of the Program

- Enrollment projected to continue to rise at about 3% per year
- Increased number of retail locations on campus causing increase of debt service
- Quadrangle to go offline in Dec. 2017
- Upgrades to the SC Satellite
- Capacity of Fresh Food Company
- Increase of visitors on campus
- MarketMATCH in Spring 2016
- Increase usage will continue to contribute to wear and tear
