

MAXIMUS Effort Reporting System

CBA Meeting on 10/08/2015

Why MAXIMUS Effort System

- It is an online Web-based system with email notifications that replaces the manual process and paper certification forms
- Ability to track and report effort commitment for cost sharing
- Faculty can see payroll details as it relates to effort or work on their projects.
- It flags DHHS Salary Cap to alert users when pay is above the limit allowed by sponsor.
- Assist in preventing a repeat of the audit finding of FY 2014 where the University did not always certify time and effort reports within the required time period.

Frequently Asked Question

1. Why are there not any effort forms for the Certifier?

- A. The Pre-Reviewer has to approve the effort form before the Certifier will see pending effort forms.

2. How can I reassign the Pre-Reviewer role?

- A. From the left-hand menu click on *Assignment*,
- B. Click on the *Change Assignments for Individuals* hyperlink,
- C. Select your *Department* and click Proceed,
- D. Select your *Sub Department* and click Proceed,
- E. Select the *individual(s)* and click Proceed,
- F. Select the new assignment for the selected individual(s) and click Proceed.

3. If I need additional hands on training using MAXIMUS, who do I contact?

- A. Please contact DeSandra Torbor, dtorbor@uh.edu or Grace Rosanes, tgrace@uh.edu. The training options are a Lync meetings or one-on-one's at DOR

4. If the payroll percentage does not accurately show the effort contributed, what do I do?

- A. It depends. If variance is $\pm 5\%$, the effort percentage should not be changed. Because of the effort of teaching, research, and administration is inextricably intermingled, the Uniform Guidance states that a precise measurement of effort is not feasible nor expected. If the effort percentage and payroll distribution vastly different, the department will have to work with the PI to adjust the payroll distribution. These changes should be addressed monthly during the account reconciliation process rather than during the effort reporting period.

5. If the Certifier is no longer at UH during the Effort Reporting Period, who certifies their effort reports?

- A. Their direct superior who has technical knowledge of the work they performed during the effort reporting period.
