Agenda

Friday, July 9, 2010
E. Cullen, Room 226

- 1. Project Name: 4902 Gulf Freeway Annex Billboard Signage**
Presented by: Watson Riddle
Action: Information

This information item involves proposed signage graphics intended for an existing 101' x 9' billboard at the 4902 Gulf Freeway Annex (part of the Energy Research Park). The billboard was in place prior to UH purchasing the property and is currently painted white.

- 2. Project Name: Parking Project Update**
Presented by: Bob Browand
Action: Information

Bob Browand will give an update on the status of UH Parking projects including the Temporary Parking Lots between Cullen and Leak Street north of Elgin Street.

- 3. Project Name: UH Transit Shelter Locations**
Presented by: Bob Browand
Action: Approval

This item requests approval of shuttle bus shelters in six locations near campus residence and student service buildings. Shelters will be provided at no cost to the University in exchange for the sale of advertising on adjacent advertising kiosks. Shelter and kiosk designs will complement the visual vocabulary of the campus.

- 4. Project Name: Ike Recovery Landscape Improvements:
University Drive Granite Wall**
Presented by: Thomas G. Doyle
Action: Approval

This item request the construction of a curved granite wall as an architectural element of the landscape improvements proposed for University Drive. This wall will be a backdrop for an existing granite pedestal with an embedded Seal of the University of Houston displayed. These beautification measures are a phase of the larger campus wide Ike Recovery Landscape Improvement Project.

- 5. Next Meeting – Tentative Schedule**

Date: August 6, 2010
Time: 2:00 p.m.
Location: Room 226 E. Cullen Building
