226 E. Cullen Building

**MEMBERS PRESENT**

Elwyn Lee

Mark Dillon for Patricia Oliver

Dave Irvin

Prince Wilson

Lisa Holdeman

Monica McHenry

Keith Kowalka

Robert Wimpelberg

The meeting was called to order at 2:15 p.m. by Dave Irvin. The following items were discussed:

**Health Biomedical & Science Building**

Angela Watson and Dean Earl Smith presented the proposed design of the building and associated satellite utilities plant. The scope and site was previously approved by this committee.

**Action** – The committee unanimously approved the building and associated satellite utilities plant design.

**UH Shuttle Bus Shelters**

Bob Browand presented this agenda item, assisted by Jeanne LaMontagne. The committee expressed concern over inclusion of advertising panels at shelter locations in campus academic areas.

**Action** – This agenda item was tabled pending submittal of additional information and revising the advertising locations.

**Energy Research Park Signage**

Watson Riddle and Karen Clarke presented sign designs for the building main entry, driveway monument signs and individual building identification. Additional way finding and tenant identification signs will be presented at a later date.

**Action** – The committee unanimously approved this item. FP&C's Planning Department will work with University Advancement and Lisa Holdeman to determine where the signs are placed.

With no further business, the meeting was adjourned at 3:45 p.m. Our next meeting has been tentatively scheduled for Friday, July 9, 2010, 2:00 p.m., room 226 E Cullen.
