

**UNIVERSITY OF HOUSTON**  
**Campus Facilities Planning Committee**  
**Agenda Item Description Form**

1. **Item:** *Lynn Eusan Stage Relocation*
2. **Requesting Department:** *Student Affairs / University Centers*
3. **Contact Names & Phone Numbers:** *Keith Kowalka, 3-5280*
4. **Presenter:** *Keith Kowalka*
5. **Recommendation/Action Requested:** *Design Approval*

6. **Summary:**

The University Centers is requesting the approval of the design for a new stage structure at the edge of Lynn Eusan Park.

The current stage is inadequate to meet the needs of Student Affairs and campus programs. The current structure does not have a rigging structure to allow for the mounting of lights and sound equipment. The electrical supply is not adequate for the types of events Student Affairs would like to host – particularly as the campus moves to a more residential campus.

The new design addresses these shortcomings by providing a larger stage space that is covered, rigging support for light and sound equipment and upgraded electrical supply. The design incorporates previously approved building materials to integrate with the rest of the campus architecture.

An upgrade to the Lynn Eusan Park Stage will provide greater access to a high quality outdoor space equipped with increased technical capabilities in order to showcase and provide for a wide variety of campus events intended to further enhance the Campus Life Experience for a rapidly growing student enrollment and UH community.

7. **Proposed Start Date:** Summer 2012
8. **Supporting Documentation Description:**  
Stage Design Concept
