1. Approval of the Signage/Wayfinding Proposals

Committee's Action: The Committee reviewed and discussed the signage/wayfinding proposals and made two recommendations.

- 1) The committee recommended implementing pilot signage on Cullen to test the new design. This will be implemented during the fall semester, communicated to the community, and we will discuss the results of this pilot study next spring.
- 2) The committee recommended implementing the signage for UH Arts, provided that UH Arts would share with the committee the proposed content that would appear on the signage once this content has been designed.

The Committee recommendations will now be forwarded for consideration to the Executive Vice President for Administration and Finance.
